Cable Ties Datatsheet

Offers a broad selection of industry approved styles, sizes, and materials to meet a full range of networking applications.

Cable Ties Description

Different cable ties can be used in a broad range of applications and environments to meet different cable management needs. Reusable cable ties can be adjusted, released, and reused hundreds of times – ideal for applications requiring frequent moves, adds, or changes. Self-locking nylon cable ties have the sheer volume of use, and relatively simplistic design, equate to the zip tie being a very economical device for routing wire harnesses in data center cabling systems. Especially, the ID marker cable ties with blank flag offer an easy and cost-efficient wire and cable identification solution.

Standards Compliance

- RoHS Compliant
- ISO9001 Certificate

Features

- Keeps cables neat and tidy.
- Reduces cable stress on expensive equipment ports.
- Threads easily and installs quickly.
- A full range of colors to select.
- Soft, premium material is safe to use on high performance network cables.
- Offers an easy and cost-efficient cable management solution.

Reusable Cable Ties

These reusable cable ties are soft but strong, and designed to handle thin wires and bulky cables indoor or outdoor. They are perfect for controlling and organizing wires, cords, and cables and for bundling a wide range of materials.

T Type style cable ties are made of a self-attaching hook and loop material, and Back to Back style cable ties are double-sided, self-gripping and have strong adhesion, you could self-customize the length of this tie to get the perfect length for any applications.

Part Number	CMCT-10TTC	CMCT-1000BBBE
Style	T Type	Back to Back
Material	Nylon	Nylon
Colors	Black, Red, Yellow, Blue, Green	Black, Red, Yellow, Blue, Green
Maximum Bundle Diameter	2.36" (60mm)	/
Minimum Bundle Diameter	0.39" (10mm)	/
Working Temperature	-40° F to 220° F (-40° C to 104° C)	-40° F to 220° F (-40° C to 104° C)
Dimensions (LxW)	10"x0.5" (250x12mm)	1000"x0.48" (25000x12mm)
Package	25pcs/bag	25m/bag
Function	Dedicated to Various Cables	Dedicated to Various Cables

Self-Locking Nylon Cable Ties

These Self-Locking Nylon Cable Ties offer an easy and cost-efficient wire and cable identification solution. They equate to the zip tie being a very economical device, are used extensively in data center to make messy cables clean and tidy. ID Marker Cable Ties can be written to facilitate identification of cable managers.
