

Tool-less Blanking Panel Datasheet

Fills unused rack spaces to optimize airflow and prevent recirculation.

Overview

The tool-less mounting blanking panel can guide airflow down the back of your rack-mounted equipment, rather than through unused units of rack space. This helps expel operating heat from your rack-mounted equipment, to keep it running at optimal temperatures. It also snaps into square or round punched mounting holes on equipment rails without any tools or hardware for installation.

Benefits

- Offers Toolless Mounting and Fits Any Square Hole
- Fills Unused Rack Spaces to Optimize Airflow and Prevent Recirculation
- Made from Heavy-duty Cold-rolled Black Steel
- Compatible with All Standard 19 in. EIA-compliant Racks
- Fills 1U/2U/4U Rack Space

Product Specification

CHARACTERISTICS

	FHU-BPSTL-1U-10	FHU-BPSTL-2U	FHU-BPSTL-4U
Material	SPCC, ABS	SPCC, ABS	SPCC, ABS
Color	Black	Black	Black
Mounting Option	Front	Front	Front
Package	10pcs/pack	1pcs/pack	1pcs/pack
Weight	5.29lbs (2.4kg)	1.28lbs (0.58kg)	1.68lbs (0.76kg)
Mounting	19" Rack Mount	19" Rack Mount	19" Rack Mount
Dimensions (HxW)	1.72"x19" (43.8x482.6mm)	3.47"x19" (88.25x482.6mm)	6.97"x19" (177.15x482.6mm)
