

British-Style Shuttered Faceplate Frame Insert, Label Pockets, Unloaded, Angled

IDEAL FOR HOME THEATER, VOIP OR ETHERNET IN-WALL WIRING INSTALLATIONS

Overview

The Faceplate Frame Insert is ideal for your premise wiring applications, including home theater, VoIP phones and Ethernet. This Insert accepts one RJ45 Module, and mounts to British-Style Faceplate Frame. The insert is available in angled design, which features spring-loaded shutters to protect the connectors from dust and debris when not in use. Inserts are made of white durable ABS thermoplastic and will fit elegantly into any home or office decor for a stylish, professional installation.

Benefits

- Mount to British-Style Back Box with Faceplate Frame and RJ45 Keystone Modules
- Spring-loaded Shutters Protect the Connectors from Dust and Debris
- Ideal for Home Theater, VoIP or Ethernet In-wall Wiring Installations
- Compatible with Any Style of RJ45 Keystone Jack
- High-impact ABS Thermoplastic Construction Designed to Last a Long Time
- Classic White Color Blends Elegantly into Home or Office Decor
