

FS-LRD-3U Rackmount Drawer Datasheet

Provides a convenient way to keep tools, manuals, essential accessories and spare cables you would need on-hand for your data center.

3U Lockable Rackmount Drawer

3U Lockable Rack Drawer for EIA 19" racks & cabinets feature heavy-duty steel construction and a built-in lock, providing a secure and long-term durable enclosure to store any equipment you would need on-hand for your data center, such as networking tools, mice, software, manuals, and spare cables. This rackmount drawer has a maximum load capacity of 44 lbs (20 kg). This sliding rack storage drawer is a cost-effective solution that provides tidy, out-of-the-way storage.

It locks securely with the included keys to help prevent damage, tampering, or theft. When not in use, the 3U drawer slides smoothly into the rack, out of the way until the next time you need a quick screwdriver or patch cable.
